TRACK LIGHT

A modern interior space featuring a large, curved, dark-colored architectural model in the center. The model depicts a building complex with a green lawn and trees. Above the model, a large, dark rectangular panel displays the text "Track light" in a gold, serif font. The ceiling is composed of horizontal wooden slats with several track lights. The walls are also made of wood, and there are large windows on the right side. The floor is a light-colored, polished material. The overall design is clean and contemporary.
